Porto, 2025

Developing Ideas to Find Partners and Funding

In this hands-on workshop you will get to develop your project ideas ready for pitching them to potential partners, presenting your approaches to your professional network or finding ways to collaborate with CARPE colleagues. The workshop suits best for early-stage ideas for bottom-up (not topic specific) calls.

Facilitators:

Kaisa Adair, Senior Advisor, Turku University of Applied Sciences / Project Management Office

Jacques Schibler, EU Subsidy Consultant, Utrecht University of Applied Sciences / Education, Research and Student affairs
